## **Estate Inspections**

Would you like to take part in an estate inspection of where you live?

Why not join your Housing Officer in a walk around your estate and complete an inspection alongside them. These inspections are an opportunity to highlight any problem areas, check and report any repairs and issues such as fly tipping.

Residents insight would be really beneficial to this process, and to have an extra set of eyes around the site.

If you would like to take up this opportunity then please contact us by email at [housing@brentwood.gov.uk](mailto:housing@brentwood.gov.uk) or call us on 01277 312500.
